I've now address CARE/RHA's comments. See the attached. My next step is to go to the MN bi-monthly call. Then, Mary, I'll take a look at your Ohio response.

Attached the latest version of the RTC which includes Mary's OH and WI comments, John's MI comments, and my IN comments. Please try to work off of this version so that we don't have a lot of last minute compiling tomorrow.

I did draft RTC language on the 25th, don't recall getting comments on it...probably everyone got too busy with Wheeling and Burger conferences. Did you and John see my draft?

Sure, feel free to copy and paste my boiler plate to make sure the intend wording is gone. Then when you are done, do a ctrl + F on intend to make sure you didn't miss any. Have you written your rtc for WI yet? I had to add Richmond which throws off the numbering on WI. So if you have, send it to me and I'll add it. If not, work off of the draft that I'm sending in a few minutes.

Thanks. Also, thx for your copies which show where the new 120 day info should go.

Hey Sarah, do you have WORD versions of the latest TSDs, because I don't have the latest. What I can access is all PDF. I've been working off the pdfs and can just give you language to stuff in (easier for WI than OH), but if you can send word docs, that would save the extra step. Thanks.
